

Statement for Child Safety

At Maranguka Ltd., we are committed to providing a safe and nurturing environment for all children and young people. We enforce a zero-tolerance approach to any form of child abuse, support child empowerment, and ensure an inclusive, respectful space. Our policies prioritize transparency, continuous improvement, and cultural sensitivity, especially for Aboriginal, Torres Strait Islander, and culturally diverse families. Together with parents, carers, and our community, we work to safeguard and empower young people in all our activities.

Let's work together to keep our community safe for every child.
